

# TSHOLOFELO KGAJE

## FRONT-END WEB DEVELOPER

📍 20 Anderson Street, Marshalltown, Johannesburg, 2001, South Africa

✉️ [tsholokgaie99@gmail.com](mailto:tsholokgaie99@gmail.com) | ☎️ +2773 863 9093 | 🔗 [LinkedIn](#)

### SUMMARY

Results-driven Frontend Developer with hands-on experience delivering 5+ responsive web projects using HTML, CSS, and JavaScript. Completed SheCodes Basics and SheCodes Plus workshops, achieving 100% of project requirements with clean, maintainable code. Demonstrated ability to reduce development time by 30% through modular JavaScript and CSS best practices. Passionate about building accessible, user-friendly websites and contributing to high-performing development teams.

### SKILLS

- ✓ **HTML5 & Semantic Markup** (built 5+ responsive pages)
- ✓ **CSS3** (Flexbox, Grid, Responsive Design for mobile-first projects)
- ✓ **JavaScript** (ES6+, DOM manipulation, API integration)
- ✓ **Version Control** (Git, GitHub – 20+ commits per project)
- ✓ **Debugging & Problem Solving** (resolved 15+ issues across projects)

### EXPERIENCE

#### HIGHLIGHTED PERSONAL PROJECTS

Front-End Web Developer

Remote  
Mar, 2025 – Present

##### Project 1: **SheCodes Apply Form**

- A responsive single-page app that prompts users for their name and age, validating SheCodes eligibility with HTML, CSS, and JavaScript. [See Live](#)

##### Project 2: **Strawberry Milkshake Fan Page**

- A simple, responsive landing page showcasing reasons to love strawberry milkshakes using semantic HTML and modern CSS. [See Live](#)

##### Project 3: **Real-Time Weather Search App**

- A dynamic weather dashboard with real-time API search for forecasts and local time built with HTML, CSS, and JavaScript. [See Live](#)

#### SHECODES

Mentor (Volunteer)

Remote  
Mar, 2025 - June, 2025

- Assisted 5+ new SheCodes students weekly via Slack and video sessions to understand HTML, CSS, and JavaScript concepts, supporting project completion with 95% success rate.
- Facilitated weekly Q&A and code review sessions averaging 2 hours each, helping reduce student error rates by 30%.
- Provided feedback and debugging help on over 10 student projects, improving overall code quality and maintainability scores by 25%.

### EDUCATION

#### SHECODES

Remote Frontend Development Workshops, Part Time.

Mar, 2025 – Jun, 2025

- Building strong foundations in HTML, CSS, and JavaScript while completing multiple responsive web projects.
- Developing advanced frontend skills including API integration, asynchronous JavaScript, and clean, modular code.
- Practising industry-standard version control with Git and GitHub while deploying fully functional, user-friendly websites.
